It's a pleasure to invite you to join the exhibition "Sorrisi dal Mondo", to think about this year's theme for the XVIII edition of Festival of Economy of Trento. A theme that, in a post-pandemic scenario that keeps on pressuring us, gets artists to wonder about the possible scenarios that rise in front of their own gaze.

The exhibition will take place in Trento during the days of the Festival (25th - 28th May 2023), the artworks will also be visible on the Festival's website (www.festivaleconomia.it) and Andromeda's (www.studioandromeda.net).

On our website, visitors will also have the chance to vote for their favorite artwork.

Deadline: 18th May 2023
