XXVIII INTERNATIONAL FESTIVAL OF HUMOR AND SATIRE "CITY OF TRENTO"

On 23rd June 2020 at 8.30am took place a video-conference held by Studio d'Arte Andromeda (via Malpaga 17, Trento, Italy) to start the work of the jury for the above-mentioned contest. This year's theme was:

LIMITS

JURY MEMBERS:

Marilena Nardi, cartoonist

Luigi F. Bona, historian of visual communication

Roberta Opassi, historic cultural functionary PAT

Assunta Toti Buratti, cartoonist

Luigi Penasa, painter and illustrator

Umberto Rigotti, illustrator and caricaturist

Giulia Pedrotti, President of Studio d'Arte Andromeda

Assunta Toti Buratti, representing Studio d'Arte Andromeda, opens the jury work for XXVIII International Festival of Humor and Satire "City of Trento" proposing the nomination of a president and a jury's secretary.

Online at the video conference are present: Assunta Toti Buratti, Marilena Nardi, Luigi F. Bona, Roberta Opassi, Luigi Penasa, Umberto Rigotti and Giulia Pedrotti.

Marilena Nardi is voted as President of the jury and Luigi F. Bona as Secretary, unanimously.

The jury takes in consideration the big participation of the authors: this year we received artworks from 539 authors, for a total of 1255 artworks coming from 65 countries. We feel like the level and quality of each work was very high. This year's theme, ambiguous and interpretable in different ways, has maybe helped everybody's creativity and has allowed the creation of powerful works both on graphic level and originality. In many of the works authors reached a poetic level of expression through graphic and pictorial media.

The jury proceeds with the analysis of the field comics and then to the field satire and humor. Each artwork is discussed by every member of the jury.

The selection work takes place through the morning and the first part of the afternoon, without interruptions or problems, despite the new element of the video-conference.

The analysis of the artworks received for **comics category** takes the jury to the selection of the **16 artworks** that will join the exhibition; between them, the jury selected the **first prize**, **2 artists worth of mentions** and **1 special mention**.

The jury then proceeds with the **satire and humor category** and selects **135 artworks** that will join the exhibition, **3 prizes**, **7 mentions** and **4 special mentions**.

The prize assignment, approved unanimously after discussion, is the following:

Mojtaba Heidarpناه (Iran)

"For giving an original and effective version to the sense of limitation represented symbolically as the building of a wall, stopping the playing moment and walling in the playing itself, with a violation of the rules of time, space and movement that enhances its irrationality and horror."
