XXX INTERNATIONAL FESTIVAL OF SATIRE AND HUMOR "CITY OF TRENTO"

On 15th July 2022 at 9:30am took place a video-conference held by Studio d'Arte Andromeda (via Malpaga 17, Trento, Italy) to start the work of the jury for the above-mentioned contest. This year's theme was:

SHADOW

JURY MEMBERS:

Marilena Nardi, cartoonist

Luigi F. Bona, historian of visual communication

Fabio Magnasciutti, cartoonist

Assunta Toti Buratti art director of Studio d'Arte Andromeda

Umberto Rigotti, illustrator and cartoonist

Assunta Toti Buratti, representing Studio d'Arte Andromeda, opens the jury work for XXX International Festival of Humor and Satire "City of Trento" proposing the nomination of a jury's president and a jury's secretary.

Online at the video conference are present: Marilena Nardi, Luigi F. Bona, Fabio Magnasciutti, Assunta Toti Buratti and Umberto Rigotti.

Fabio Magnasciutti is voted as President of the jury and Luigi F. Bona as Secretary, unanimously.

The jury takes in consideration the big participation of the authors: this year we received artworks from 446 authors, for a total of 1028 artworks coming from 66 countries. We feel like the level and quality of each work was very high. This year's theme, ambiguous and interpretable in different ways, has maybe helped everybody's creativity and has allowed the creation of powerful works both on graphic level and originality. In many of the works authors reached a poetic level of expression through graphic and pictorial media.

The jury proceeds with the analysis of the field comics and then to the field satire and humor. Each artwork is discussed by every member of the jury.

The selection work takes place through the morning and the first part of the afternoon, without interruptions or problems.

The analysis of the artworks received for **comics category** takes the jury to the selection of the **16 artworks** that will join the exhibition; between them, the jury selected the **first prize** and **3 special mentions**.

The jury then proceeds with the **satire and humor category** and selects **130 artworks** that will join the exhibition, **3 prizes** and **8 special mentions**.

The prize assignment, approved unanimously after discussion, is the following:

SATIRE AND HUMOR

FIRST PRIZE

Constantin Sunnerberg (Belgium)

For being able to go beyond realism with rare simplicity and emotional efficacy, in an evocative balance between the elegant depiction of a sweltering and imminent future and the image of a fresh and light oasis, using colors in an efficient and wise way.

SECOND PRIZE

Leonard Grabowski (Poland)

For putting together, in the ephemeral meaning of a shadow, both the report of the tragedy of each wound inflicted to nature and animals and the discouragement of the absences that leave, in our memory, an intense trace of nostalgia for an erased Eden.

THIRD PRIZE

Mehdi Azizi (Iran)

For having showcased, with the lightness of the humoristic line and irreality's smile, the suffered situation of refugees beyond boundaries traced by men, where an apparent nothingness and an aware sacrifice can become a different life's perspective.
